

Membership Information

Dear Coaches,

We wanted to start the new membership year off by creating a membership package that will suite all levels of football in Pa. Many coaches at smaller schools have felt that they cannot get players into the all-star games. The PSFCA will continue with 3 all-star games in 2023. The 2022 games were extremely successful and looking forward to expanding the activities around each of the games. The Big 33, Class 1-3, and Class 4-6 East West Games. It will be an honor for those players to be selected to play. Those games will take place on Sunday May 21, 2023 which will be the weekend before the Big 33 Game.

[PSFCA Membership Application](#)

Another type of membership is a membership that can be purchased by your District, conference, or local association. There will be a **20%** saving by purchasing this type of membership. Information on this type of membership can be obtained by contacting gathell@big33.org or your District Director.

Membership Benefits include a Code for all members to nominate players, coaches, Hall of Fame Inductees, Honor our Own & attendance at the PSFCA Coaches Clinic. You will also receive a coaches perk from TapNPay, discount memberships from XOClinics.com & QBDrills.com, clinic discounts, and participation in all the nomination activities throughout the year. A detailed membership perks list can be found at this link:

[PSFCA Membership Benefits](#)

The last perk that each of you should be excited about its return is the **Million-dollar** liability coverage that can protect you during the whole year. I have enclosed a detailed file for your viewing. This perk could be the most important one that you can have for yourself and all the football coaches in your program. Please review the attached link and take advantage of this extra security that you will have.

[PA Coaches Insurance Overview](#)

Please remember that for your players to be eligible for the Big 33 and East/West games you **must be a member** of the coaches' association. **Also, please make sure you receive commitment from the players to play prior to nomination.**

You will also be receiving player nomination information from the Big 33 office by email. This information will be distributed the first part of November. Please read the information carefully and make sure you follow all the selection guidelines listed within the instructions.

Finally, please mark your calendars for the annual PSFCA Football Clinic, February 9-11, 2023, The Penn Stater Hotel and Convention Center. Clinic event information will be coming to you very soon.

Sincerely,

Garry Cathell
