History of the Big 33 Host Family

Since 1985, Big 33 players have stayed with Host Families. This program has paired thousands of players with local families and it is one of the most important and unique aspects of the Big 33 Experience. Players and their host families create lasting bonds and new family members are gained through this program.

FAQ

When and How Will My Player Be Assigned To Me?

After both teams are chosen, we do a Host Family Draft and players are selected by families (in order of how many years they have hosted.)

Am I Expected To Purchase Any Equipment/Gear/Personal Items For My Player?

Players are to be responsible for their own equipment/gear/personal needs. Some Host Families will purchase items for their players at their own expense, but it is NOT EXPECTED OR REQUIRED.

What Tickets Do I Get To Big 33 Events As A Host Family?

Your family will be provided tickets to the Big 33 Football Classic, as well as all Big 33 events during the weekend.

Thank you for your interest in being a potential PSFCA Big 33 Host Family!
