ABOUT THE **BIG 33** HOST FAMILY PROGRAM

Since 1985, Big 33 players have stayed with Host Families., a tradition that has paired thousands of athletes with welcoming homes throughout the community. This program has become one of the most distinctive and valued elements of the Big 33 experience. The relationships formed between players and their host families often last a lifetime - creating meaningful bonds and, in many cases, adding new members to the family.

FAQ'S:

Q: WHEN & HOW WILL MY PLAYER BE ASSIGNED TO ME?

A: After both teams are chosen, a Host Family Draft will take place and players are selected by families (in order of years hosting). If there is a personal connection or request, we honor that.

Q: AM I EXPECTED TO PURCHASE ANY EQUIPMENT, GEAR, OR PERSONAL ITEMS FOR MY PLAYER?

A: Players are responsible for all of their own items

Q: WHAT TICKETS DO I RECEIVE TO THE BIG 33 EVENTS?

A: As a Host Family, you will be provided with tickets to the Big 33 Football Classic, as well as all Big 33 Events during the weekend.
