The Big 33 Buddy Wish Program provides individuals with disabilities the opportunity to apply for financial assistance for needs that help them participate, learn, grow, and thrive. Awards of up to \$1,000 may be used for a variety of needs, including camps, technology assistance, services, and other supports. In 2026, the Buddy Wish Program awarded two grants: one helped cover the cost of a translator for a midget football athlete who is deaf, while the other provided assistance with camp expenses for a student. Through these awards, the program continues to make a meaningful difference in the lives of individuals with disabilities and their families. If you have a need that we can assist with, please apply for the 2027 Buddy Wish Program. Awards will be announced in May 2027.
